

HYCM Capital Markets (UK) Limited Execution
Quality Summary Statement (EQSS) (Year
2021)

End of best execution reports

The FCA via its Policy Statement PS21/20 as issued in 2021, has confirmed that the following disclosure requirements will no longer apply:

- * The obligation on execution venues (including brokers) to provide quarterly metrics on execution quality (RTS 27 reports).
- * The obligation on investment firms carrying out portfolio management or the reception and transmission of orders to provide annual reports on execution outcomes, including the top five execution venues used in each asset class (RTS 28 reports).

The removal of these obligations came into effect on 1 December 2021.

As such HYCM Capital Markets (UK) Limited will not be publishing its RTS 28 report for the year 2021 by April 2022. Nor for any other year following that.
